Flower-shaped protection caps

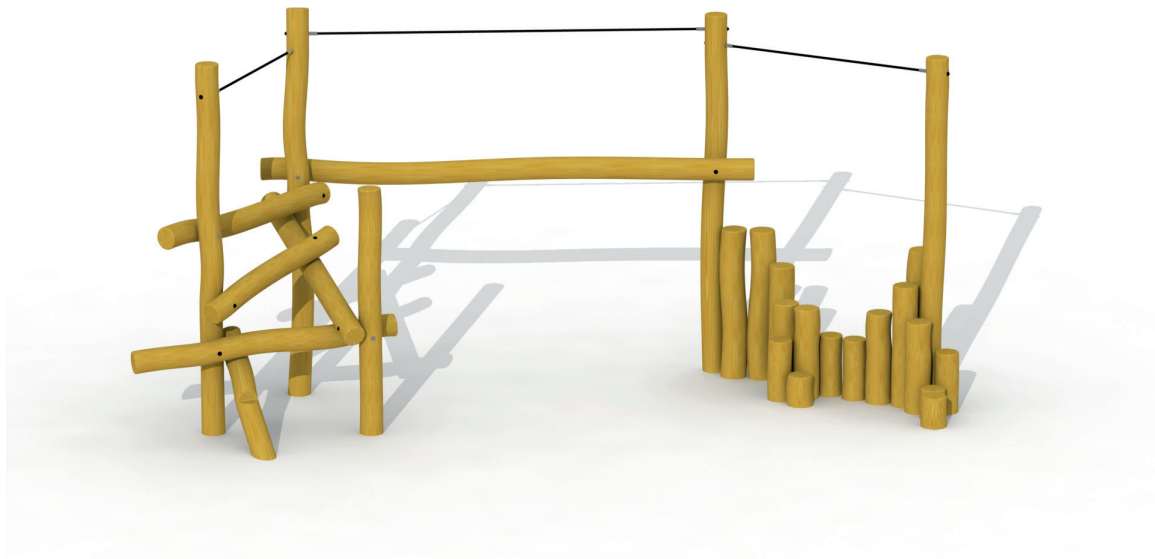

### Product Description

Canyon bridge trail in robinia for children aged 4 to 12. The play equipment is a combination of balancing and climbing. Above the balance beams you can find a rope made of steel cable where the children can hold on to while crossing the trail. This play equipment is expanded with step-bollards. All nuts and bolts are completely covered by flower-shaped protection caps. This construction is fixed directly into the ground by using concrete.
