Materials

Type of wood: robinia

Product Description

Monkey wall in robinia for children aged 4 to 12. The monkey wall consists of two vertical robinia poles that are fixed directly into the ground with concrete. Between these poles you can find a challenging climbing wall. At the bottom of the climbing wall you can find a hole where the children can crawl to the other side of the wall. All nuts and bolts are completely covered with flower-shaped protection caps.
