Product Description

Magic tower with balance trail for children aged 4 to 12. The platform, the roof and the side walls are made of larch, the rest of the play equipment is made of robinia. The play tower can be reached via 2 climbing walls, a climbing net and a climbing construction using 3 robinia beams that lead upwards to the platform. You can leave the platform by using a stainless steel slide. All nuts and bolts are completely covered by flower-shaped protection caps. This construction is fixed directly into the ground by using concrete.
