Product Description

A two-story-high climbing tower topped with a gable roof accessible via a vertical climbing ladder and suitable for children aged 6 to 15. This jumbo watch tower has an additional two-story-high platform. The tower can be combined with following add-on components: high fireman's pole (S004), spiral slide (G402), high slide 100 cm wide (G121), high spiral fireman's pole (S018). The roundwooden larch poles are fixed into or onto the ground using metal base supports. All metal parts are treated against rust and polyester coated and all nuts and bolts are completely covered with flower-shaped protection caps.
