Product Description

Safari trucker with steering wheel, crawl hole and two benches for children aged 2 to 8. The top construction is made out of larch with boards of 22, 35, 45 mm. The side panels and wheels are made out of HDPE polyethylene. The girders are made out of oak. This playground equipment comes preassembled. The safari trucker can be expanded with a trailer (T801) by using a connection bridge (T900). All metal parts are treated against rust and all nuts and bolts are completely covered with flower-shaped protection caps.
