Security zone 24 m<sup>2</sup>  
Number of children 8  
Concrete required  
No surface fixation available

### Materials

---

Metal tubes are treated against rust and polyester coated  
Maintenance-free shafts and turning mechanisms

### Product Description

---

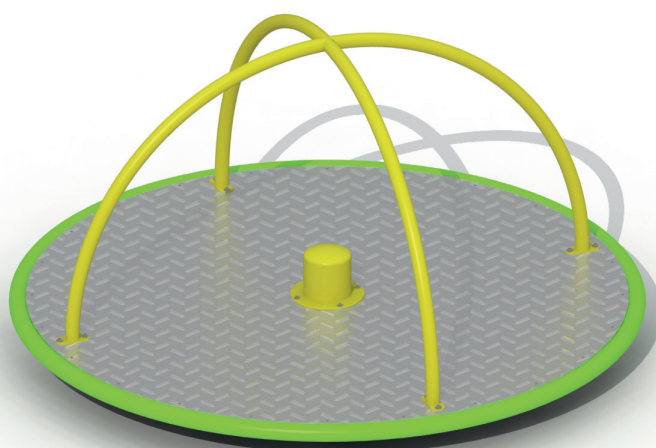

Play equipment for children aged 3 to 15. This colorful merry-go-round is made of two polyester coated metal tubes that are attached to a turning circular platform. The children can hold the metal tubes while the spider is turning. The merry-go-round turns on a maintenance free turning mechanism with double ball bearings. All metal parts are treated against rust and all nuts and bolts are completely covered with plastic protection caps.
