Product Description

Combination of our magic tower with roof and beetle bridge for children aged 4 to 12, with balance trail. The magic tower can be reached through different paths. You have two rock walls with climbing grips made of padouk. You also have a climbing net and a climbing structure made of roundwooden beams and a steel cable to hold on to. You can leave the magic tower through a stainless steel slide. The play tower can be reached through a climbing net or a climbing rope and you can leave the play tower through sliding tubes.
