Product Description

Playground equipment for the little ones, from 2 to 6 years old, made out of robinia and larch wood. The lumberjacks hut consists out of an elevated play house which can be reached by means of a climbing net or stepping posts. The play house has a nice terrace on which children can be on the lookout. The terrace also has a abacus disk panel. The house itself has 2 windows so parents can still keep an eye on their children and also a table with benches.
