

Product Sheet

ZEBRA

RO364

4-15 YEARS

2-3 PERSONS-HOURS

Product Information

Product type Eco-Play
 Certification EN-1176
 Dimensions 3,5 x 0,4 x 2,2 m
 (length x width x height)

Materials

Type of wood: robinia
 Polypropylene ropes Ø16mm with steel wire reinforcement

Technical Information

Maximum fall height 0,60 m
 Security zone 22 m²
 Number of children
 Concrete required
 No surface fixation available

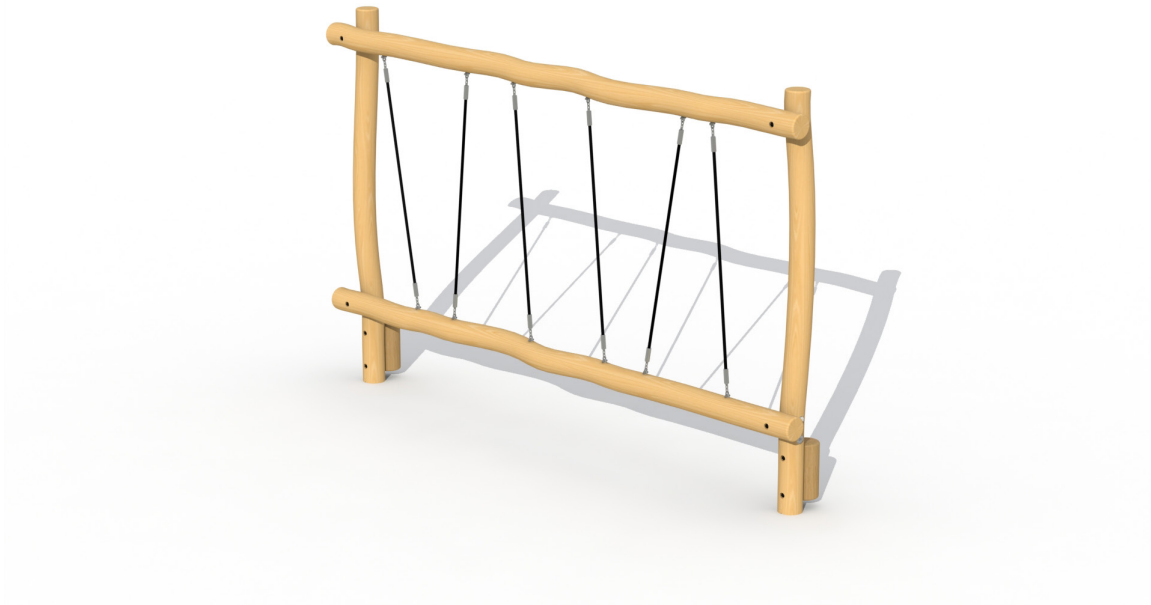

Product Description

The Zebra consists of a robinia beam with vertical ropes on either side that serve as handles. Children can hold on as they balance across the beam, making this equipment very challenging. It also tests their balance and coordination. This playground equipment is anchored directly into the ground with concrete. The foreseen linking zone makes it easy to combine with other play equipments, like our rope trail ref.R0382,
